

# Location of Conference Facilities

The easiest way to reach the general area of the conference facilities is to enter the campus on Bellagio Drive, off of Sunset Boulevard. Once at the top of Bellagio Drive, turn left to reach Sunset Village and the Northwest Campus Auditorium; turn right at the top of Bellagio Drive to reach DeNeve Plaza and Tom Bradley International Hall.

UCLA's conference facilities are located in the Northwest portion of the campus. All of the conference buildings, which include meeting facilities and residential conference housing, are labeled and highlighted in gold on the map above.

**Parking** • For visits to Covell Commons and the Northwest Campus Auditorium, guests generally park in the Sunset Village (PSV) parking structure. For visits to Tom Bradley International Hall and DeNeve Plaza, guests generally park in Lot 8 (P8). Please note the location of these parking areas on the map above.

All visitors to the campus must have a valid UCLA parking permit displayed in their vehicle. *Information about how to obtain a parking permit as well as detailed directions and maps are available from your UCLA Catering sales manager. Parking is limited during the academic year. Permits are available at a daily rate and are valid for only the lot specified.*

**Freeway Approaches to UCLA** • The UCLA campus is easily accessible from the 405 freeway by taking either the Sunset Boulevard or Wilshire Boulevard exits. Once you've exited the freeway, head east on either Sunset Boulevard or Wilshire Boulevard and enter the campus at either Bellagio Drive (from Sunset Boulevard) or Westwood Boulevard (from Wilshire Boulevard). Once on the campus, signs provide additional directions to the conference facilities.

*A complete campus map is located on the reverse side.*
